

2018 Scholarship Applicant Requirements

1. Applicant must complete and submit via email the Michigan Aviation Scholarship Application, including supporting documentation, to miaviationscholarships@gmail.com by April 8, 2018.
2. Applicants pursuing a degree in flight science or aviation management must have college sophomore, junior or senior status by the Fall, 2018 Semester and be enrolled in an accredited aviation program (or graduated after 2015). Applicants pursuing maintenance certifications must be enrolled in an accredited aviation maintenance school of technology, with plans to complete a curriculum leading to a degree and a career in aviation.
3. Applicant must have maintained a 3.0 minimum GPA (on a 4.0 system) at the time of application.
4. Supporting documentation must be included with the application, including:
 - a. A current resume.
 - b. Proof of U.S. Citizenship to include; a Passport or Birth Certificate and Government issued photo ID.
 - c. School un official transcripts including GPA; official transcripts may be requested at a later date.
 - d. A one page essay describing the applicant's aviation background, current status, and future aviation goals.
 - e. Photocopies of all FAA rating/certificates held.
5. Final applicants enrolled in a flight science or aviation management curriculum must be available to attend a formal interview at the Amway Hangar in Grand Rapids on April 20, 2018. Final applicants enrolled in a maintenance curriculum may or may not be interviewed on April 20th, but will be informed in advance of a scheduled interview location and time.
6. Recipients must be available to accept their award in person at one of the awards ceremonies scheduled for either June 1st or July 17th 2018.
7. Training scholarship recipients should aim to complete their awarded training within 12 months of receiving the scholarship.
